

# Bea-fon S10

Desktop charger included

## Simple and safe!

All features and functions are reduced to the bare essentials so user safety and user friendliness is guaranteed at all times. Although the S10 is an easy to use mobile phone it has a lifesaving feature, the SOS button. By pressing the SOS button on the back it automatically sends out an SMS and starts calling the 5 programmed phone numbers of friends, loved ones or emergency service. We have included a desktop charger inside the gift box so that you have a fixed place for your S10 at home. The desktop charger makes recharging the battery more easy. Just place the phone in the desktop charger and forget about connecting tiny plugs. This makes the S10 a companion for life!

## Features S10

-  SOS button
-  Big buttons incl. Menu and Love button
